# ART CLUB

Everyone has now finished their shell wall hangings at Art Club.

Learners have put weeks of effort into making their own unique pieces and should be very proud of themselves!

Last week some learners had a practice with polymer clay and made some pocket snakes outside in the sun. They are now "painting" with wool which is very fiddly but the results are fantastic!

This fantastic picture is not from Art Club, but is a wonderful piece of work painted by a learner in Mrs Clapton's class.

We absolutely love it!

Our York College students are learning how to make themselves a picture frame in work experience – looks fantastic!

Another one of our College learners is doing work experience at a local florist. Today she created this gorgeous floral headpiece. Lovely!

Anabel's class practiced putting up a tent for their English lesson.

It was all about communication; speaking, listening and working as a team.

They did very well.

Pre-Formal has been to the farm this week. They ventured into the rabbit enclosure to hold of one of the fluffiest rabbits we've ever seen!

They watched our site manager feed all of the animals and talked about the rules on the farm.

This little chap did some pretend camping, chilling under the canopy with 'sleeping bags and a roaring fire'.

Anabel's class are doing their Open Awards Skills for Travelling in the Community training.

They practiced road safety and sticking to the rules for Zebra and Pelican crossings.
