

Class: Joanna Foy

RESPECT

PERSEVERANCE

EXCELLENCE

Key themes we will cover this year include...: Life skills, independence, problem solving and working as a team. Developing our communication skills through our class curriculum.

Our focusses for Maths and English are...: Working towards Entry Level 1 and Entry Level 2. Shape, measure, date and time, position and money skills. Listening skills and following instructions. This will be achieved by linking these skills through the curriculum.

In our vocational subjects, we will cover...: Life skills, Animal care, Construction at York College and Catering.

Our Preparation for Adulthood includes...: Working towards Skills for Learning and Further Employment Open Awards accreditation. Careers advice and work experience.

Some exciting activities we will do include...: Swimming, sensory room and trips out in the local area. Residential opportunities.
