

Class: Lower Semi Formal

RESPECT

PERSEVERANCE

EXCELLENCE

This year, some of our class themes include:

Getting to Know You
Celebrations- Christmas
Colour
Managing emotions
Growing Up
Community

Our focusses for Maths, English and Science are:

Mathematical Development: number, measure, money, shape, position and time
Communication, Language and Literacy: attention and understanding, reading, writing and language and communication.
Science: Fair testing, plants and animals,

In our other subjects, we will cover:

Personal, Social and Emotional Development- self awareness, self-care, managing feelings, growing up, healthy lifestyles and the world we live in.
Understanding The World: Who am I? Local environment, important people in the community
Expressive Arts and Design: printing, colour and shades, collage, textures.
Physical Development: gymnastics, dance, ball control, team games, sports day events.

In our class we use the Cherry Garden branch maps in our learning.

Theses are:

Mathematical Development
Communication, Language and Literacy
Physical Development
Personal, social and Emotional Development
Understanding the World
Expressive Arts and Design

Some exciting activities we will do include:

A Christmas performance, a visit to a professional theatre, local visits, swimming, Rebound (trampolining), Forest School, Sports Day, dance, mindfulness sessions, sensory room visits.
