Food Tech Contributions

There are new Food Tech payments of £7 on ParentPay, only for those learners who are doing Food Tech this half term.

Please look on your ParentPay for this; it's £1 per week for these life skills lessons. Thank you

Can we please ask Parents/Carers of our new learners to log in and activate their ParentPay account. Even if your child has free school meals, we still need parents to have their own ParentPay account. Your help is greatly appreciated. Thank you.

We are a nut aware school

Heads-up!

Dear Parents and Carers,

With two weeks to go the school is getting a little festive! We have been especially grateful to Newbrugh Priory Estate for their kind donation of a 10ft Christmas tree to stand in the main House. We will share a photograph in next week's newsletter once the children have added their decorations, I am sure it will look fabulous!

Last weekend, our Enterprise Team had a Christmas stall at Kirkbymoorside Primary School. It was incredibly successful and raised over £100. A big thank you to all involved, especially Dana who leads our Enterprise work. Great job team! And if any parents/carers would like to further support the group – their Christmas gift order form is currently being sent home.

Some of our learners went to visit Castle Howard this week to see their Christmas display based on The Wizard of Oz. This was a lovely trip out and feedback from the group was it brought out the best in our learners, who demonstrated excellent social skills and supported each other with care and kindness.

Our college learners have also been out and about this week with some learners going to visit potential work experience placements. This is such a big part of preparing for adulthood and I look forward to hearing about their experiences once they get started. We are always happy to hear from parents who may have the business contacts to help our learners to secure experience in the world of work, so do get in touch if this is something you could support us with.

Just a quick reminder that we are inviting parents and carers to join us on the last day of term for "Carols and a Cuppa". We are encouraging car sharing for those of you who plan to come, singing is due to start at 1pm.

I hope you all have a good weekend.

Alison

Mrs Smith's class had a brilliant day out at Castle Howard and were lucky enough to visit their Wonderful Wizard of Oz Christmas display! This was followed by a little trip on the train down to the fabulous playpark. Thanks to our HSA for the Castle Howard passes.

Christina's class enjoyed another excellent lesson from one of our talented students, who decided to teach a fabulous lesson all about fiction writing!

He told them about how best to plan a piece of fiction text, including combining genres, developing characters, building settings and understanding character motivation. They finished by planning fiction stories of their own, which they will begin to write next week!
