

Welburn Hall Weekly

Friday 11 October 2024

Hello and welcome to our weekly Newsletter.....

School dinner arrears

We are £172.00 in arrears for school meals. Can parents please clear any dept. School lunches should be paid in advance. Automatic top-up, for as little as £5, can be set up on Parent Pay.

Thank you for your understanding

Autumn 1 Food Tech Contributions

Payments can now be made towards Autumn 1 Food Tech.

So, if you are able to contribute, please do so via **ParentPay**. Thank you

Parent Pay activation letters have now been sent home in book bags.

If you haven't already done so, can we please request that you log in and activate your account. Even if your child has free school meals we still need parents to have their own Parent Pay account.

Your help is greatly appreciated. Thank you.

Lunch Week 1	Main	Vegetarian	Pudding

Heads-up!

Dear Parents and Carers

It's great to see the sun back out again today! With the rain, the school grounds are literally a 'mudbath' due to the building works and we are really challenged without having access to all our lovely outdoor areas. Fingers crossed we get the keys to the House back on time in June!

Several classes visited the Science Fair in Scarborough on Wednesday this week, they had a fantastic learning experience, thank you to the staff who organised and delivered this trip.

We have a collapsed curriculum day today, Friday 11th, on the theme of 'Wellbeing in Mind' and it's good time for me to remind all parents of the amazing online resources for children and parents/carers who are experiencing stress and mental health issues. Please find the link here:

[The Go To for healthy minds in North Yorkshire](#)

Marianne

Daisy's class have been exploring our solar system. They looked at the planets and their distance from the sun. They then used play doh to construct a model solar system.

EXCELLENCE

On a Thursday morning as part of their work experience, Joanna's class visit all the classes and collect the recycling.

The students are improving their confidence in communicating with other people and carrying out a valuable school job.

Mr Western's class have been busy making their own autumn tree.

All students have contributed to the tree using their brilliant painting, cutting and sticking skills to create their masterpiece.

They've even made some buzzy woollen bees to adorn it.

Wellbeing & Safeguarding

North Yorkshire Safeguarding Children Partnership (NYSCP) aims to ensure all children in North Yorkshire are safe, happy, healthy and achieving.

If you are worried about a child – this is the duty number: 0300 131 2 131
Or see their website here:

<https://www.safeguardingchildren.co.uk/about-us/worried-about-a-child/>

Please check out October's Online Safety Newsletter - included with this issue

Wanted

Daisy's class are asking for donations of any unwanted toys and would love to give them a new home in their classroom. They would be particularly grateful to receive:

- Dressing up outfits
- Dolls and accessories
- Craft items including hama beads & anything similar

Please send into Daisy's class or Reception and we'll pass them on.
Thank you

Learning Workshops

As part of the Autism Central programme, Daisy Chain provides a range of online learning opportunities covering a variety of topics to help support individuals and families.

These online sessions are free and open to families living in the North East and Yorkshire. Autism Central offers families and carers of autistic people high-quality and easily accessible autism education, training, and support through peer educators, alongside a dedicated website. Peer educators are autistic people, and parents and carers of autistic people, who have been trained to support other families.

Daisy Chain Project hub is delivering Autism Central in the North East & Yorkshire NHS England region.
www.autismcentral.org.uk

These online sessions are free and open to families living in North East and Yorkshire.

Please see information below for each individual session, as times, days and delivery methods are varied. You can access our training sessions if you have a young person with traits, undergoing, or diagnosed with autism, ADHD, FASD or sensory processing differences.
