Wishing happiness and luck in your new job!

Royal Visit

Thursday saw a special visitor to the grounds of Welburn Hall. Princess Anne the Queen's daughter, was invited by the RDA group to officially open the new riding arena.

Some students displayed their riding skills, while others presented gifts of a posy and a jar of local honey.

Ladies of the RDA were presented with long service awards some of whom have been volunteering for up to 30 years.

We thank these ladies who provide their time and ponies weekly. RDA is a vital part of Welburn's unique curriculum.

Elsbeth Crookenden should be congratulated on a securing this visit and the tremendous effort she has made to make it run smoothly.

Thank you Elspeth!
